

Doll 550

This is the story of a little girl's doll.

A collection of dollies, as the name suggests. A complete range of chairs, armchairs, lounge chair, barstool and table, with alluringly sweet lines; solid beech or metal frames. Seats and backs upholstered, or stained or lacquered.

The Doll's sleek lines become even more embracing: the new enveloping lounge chair and the versatile coffee table are ideal for those moments of relaxation.
