Fact Sheet

Disco Coasters (Set of 4)

Design by *Spiritual Objects*

Scattered across a room, peeking out from beneath your favorite mug or nonchalantly drifting across a tabletop, the Disco Coasters punctuate a living space with pure graphic joy. Whilst bringing the party directly to your table, the Disco Coasters also help protect it: High quality, thick Italian leather provides a barrier between your beverage and furniture. This singular natural material has longevity, meaning you are covered for many parties to come. *Spiritual Objects*, the multi-disciplinary studio of artist and designer Luc Fuller, concerns itself with transforming mundane objects into something more than their sum of parts. So it is with the Disco Coasters; watch them activate your space, enliven your lounge, make every messy tabletop suddenly picture-ready.
