## Fact Sheet

# Neo Cushion

Design by Hem

The Neo Cushion collection is a series of versatile cushions to be used wherever and whenever a little soft support is needed in your home, office, or public space. This textile, called Uniform Melange, has an impossibly smooth appearance and thick, cushiony texture. The Neo Cushion is named after neoprene, a familiar and functional textile with which it shares some similarities, namely a softness to touch and durability. Two tones of thread are used in the 3D knitting, creating an unusual effect that is especially pleasing up close. The Neo Cushions are available in three different colorways and two sizes. Apply them liberally for maximum impact and extreme comfort.
