Charismatic comfort

COPENHAGEN

## A chair collection that is a study in softness

A visually characteristic design, the Burra collection demanded an equally characteristic name. Short for burrata, the round and famously soft Italian cheese, Burra invites you into its enveloping embrace with its exceptionally comfortable seat and pleasant aesthetic. As implied by its name, the design is a study in softness. Distinguished by its accentuated round seat and enveloping back and armrest, the plump design offers meticulous seating comfort while the charismatic appearance makes a compelling impact in any setting.
