

TUBE LOUNGE CHAIR

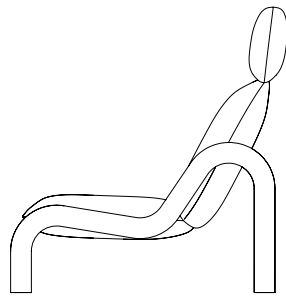

normann
COPENHAGEN

**SCULPTURAL AND SOPHISTICATED,
A STRIKING, UNCONVENTIONAL
LOUNGE CHAIR DESIGN THAT PLAYS
WITH SOFT AND SOLID ELEMENTS**

Designed by Normann Copenhagen's Danish head designer, Simon Legald, Tube Lounge Chair draws inspiration from the Memphis design style that originated in Italy in the 1980's. A style distinguished for its bold shapes and geometric lines and for celebrating exuberance and playfulness. A marriage of these playful references and the minimalism of its Danish heritage, Tube presents an inherently bold design with contrasting shapes and materials, nevertheless expertly executed in a simplistic, timeless manner.

COLLECTION OVERVIEW

Tube Lounge Chair

H: 96 x W: 74 x D: 93 x SH: 33 cm

PRODUCT FACTS

Description

A contrasting interplay between soft and solid elements, Tube Lounge Chair is an unconventional take on the classic lounge chair. The design features two distinctly oversized glass blasted stainless steel tubes that have been bent in a manner that follows the organic curvature of the comfortably padded seat. Designed with an inherently comfortable seat, Tube is crafted using a plywood frame which is covered with foam, wadding and finally dressed with upholstery in a wide variety of leather or textile options.

Designer / Year Of Design

Simon Legald / 2024

Material

Upholstery: Textile or leather

Filling: Plywood cover with foam and wadding

Legs: Stainless steel

Construction

Tube Lounge Chair comprises a metal tube made of glass blasted stainless steel. Inside, a plywood construction ensures stability and strength, and is covered with foam and wadding. Tube comes with a wide variety of textile or leather upholsteries. Delivered assembled.

Maintenance

Textile: Clean with textile or upholstery cleaner. Leather: Clean with damp cloth. Frequent vacuuming with a soft fitting is recommended both for textile and leather to preserve color and appearance.

Stainless steel: Use a soft nylon brush to remove any accumulated dirt and wash with mild soap or detergent.

MATERIAL OPTIONS

Steel legs

Stainless steel
