# Pesa Candle Holder

Design by Fabien Cappello

The seductive glossy stripes of the Pesa Candle Holders are hard to resist. Plump inflated features demand to be touched, extreme stature and enticing colorways combine to make an imposing object. The dumbbell shape invites easy maneuvering - move Pesa to wherever it will be most of use or receive most doting adoration. Just like its Molino Grinder sibling, striped decoration has been carefully painted by hand onto a solid beech wood body, each candle holder has a unique and tactile quality. Use Pesa alone, in pairs, or en masse for total graphic impact. This exuberant everyday object from Fabien Cappello is destined to become your most admired interior ornament.

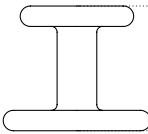

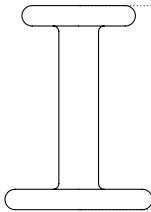

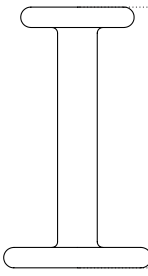

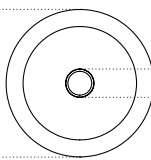

Pesa is available in three sizes and multiple colorways.
