

Tri Pendant

Resident Studio | 2024

The Tri Pendant is a member of Residents signature 'Geometric Family' that brings the beauty of mathematical precision into innovative and functional feature lighting into both the home and commercial environments.

The pendant is suspended from discrete slim line wires, with a high quality LED light source that is elegantly diffused through recessed frosted acrylic.

Tri works well as a single pendant, displayed in multiples or with other members of the geometric lighting family.

MATERIALS

Aluminium or Brass
